FRAGILITY & NORTH LAINE BREWHOUSE PRESENTS
THE FIRST EVER *Interactive*

Game Show

An interactive theatre and pub experience in the heart of Brighton.
THURSDAY 1st December / 8PM / FREE ENTRY

The Stockholm Fringe *Expect the Unexpected* **Award Winning** GameShow by London based **Fragility** is getting a redevelopment with the help of the famous North Laine Brewhouse.

The perfect teambuilding experience, expect things to get messy, glittery, competitive and raw.

Two teams of audience will be pitted against each other in a series of fun, interactive and thoughtful challenges lead by GameShow host and professional comedian, Andrew Silverwood.

The show started as a comment on our need to perform and impress other people and has been toured over four countries and run in theatres including London Theatre Workshop and York Theatre Royal, in January the concept will hit Australia for a three month run at Perth FringeWorld and Adelaide Fringe.

Of the show, Silverwood said

"It's a clashing of all your favourite games from the 80s and 90s and has a nostalgic twang with a modern and grown up twist."

Silverwood, and his creative partnership Fragility are critically acclaimed performers having been nominated for the 2016 Most Provocative Performance Award at Gothenburg Fringe and sold out shows in Prague, Stockholm, Adelaide, Perth and around the UK.
